

# 2 x 4 Construction

## *Name (Initials) Activity*

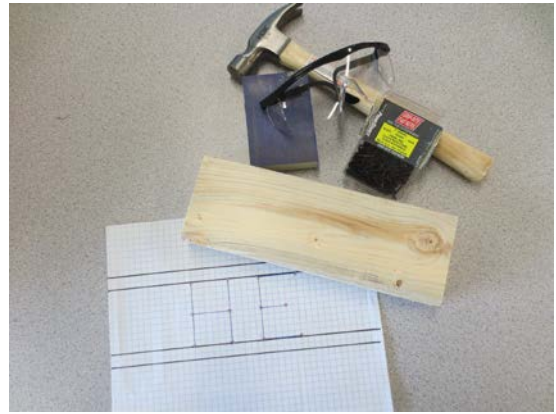

S.D. #33 - Chilliwack

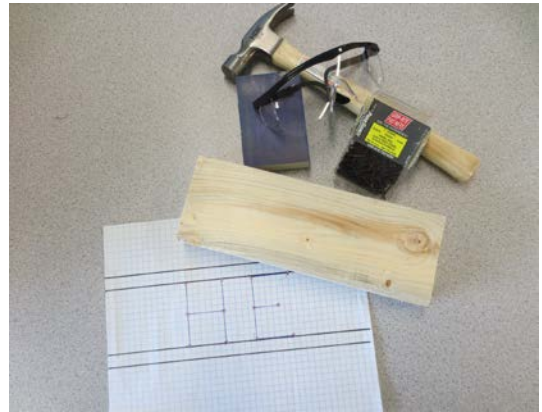

## Tools & Materials:

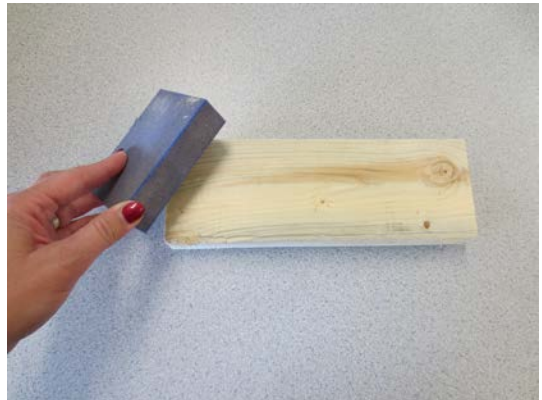

- Safety Glasses
- Template
- 2 x 4 Chunks
- Hammer
- Assorted Nails
- Sanding block
- Pipe cleaners, elastics, or string

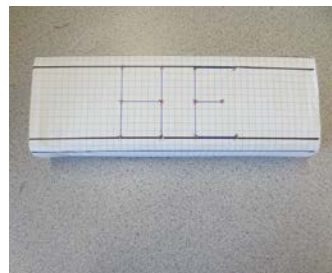

### I. Gather Materials

2. Put on your safety Glasses, and then sand all of the surfaces and edges of your 2 x 4.

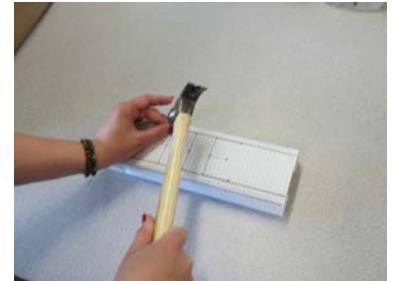

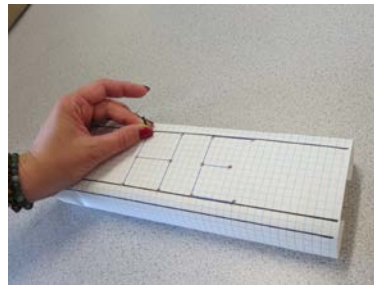

3. Lay your template on the 2 x 4 in the center and wrap the excess paper around your wood.

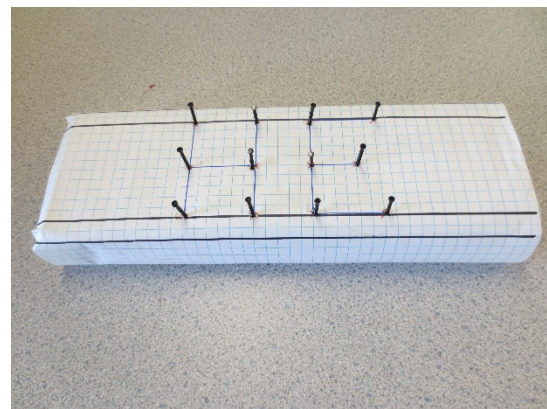

4. Holding your nails between your fingers place on the \* and carefully begin hammering.

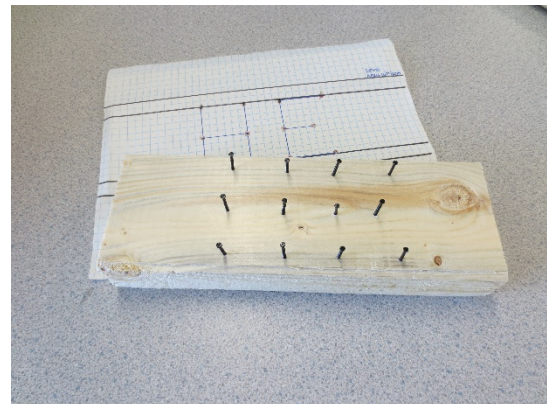

Remember to leave a portion of the nail sticking out.

5. Repeat step #4 until you have hammered in all of the nails at each of the \* points.

6. Remove the paper template.

7. Join your letters together using pipe cleaner, elastics or string.
