

Garden Box build

introduction to hand tools

S.D. #33 - Chilliwack

Tools & Materials:

- Safety Glasses
- Hammer
- Assorted 1 1/2" Nails
- Sanding block
- 2 - 2" x 4" x 4" Blocks of wood
- 6 - 1/2" x 1 1/2" x 10" Wooden slats

1. Gather Materials

2. Put on your safety Glasses, and then sand all of the surfaces and edges of each piece of wood.

3. Place your 2 end pieces flat on your work surface and lay one of your Slats across each of the end pieces. Be sure to line it up with the outside edges.

4. Holding your nails between your fingers place in the center of the slat and carefully begin hammering.

5. Repeat step #4 for the opposite end.

6. Repeat Step #4 and #5 for the next bottom slat. Be sure to line up with the outside edges, leaving a gap between the two slats.

7. Turn your project on it's side and add the next set of slats. Remember to line the slats up with the edges with a space in between.

8. Flip to your last side and repeat step #7

9. You are all finished. Now you can go ahead and plant your garden.
