

PARTS TECHNICIAN 1

ABOUT THIS CAREER

As a Parts Technician 1, you'll be in an environment where you're responsible for overseeing complex systems and procedures. You'll apply a careful process to materials handling, using a range of procedures and equipment to receive, sort, store and ship goods. You'll do all this—and more—while working closely with other team members to ensure the smooth and safe operation of the warehouse. *

(*SkilledTradesBC)

WHAT YOU'LL NEED
