Tips & Tricks for Applying for a Dual Credit Program

Dual credit programs are highly competitive, while we try to accommodate all students, we are limited by the amount of seats awarded to us by our Post Secondary partners. We need to ensure that we provide them with the most suitable candidates. We look for students with academic success, but also experience, responsibility, attitude, effort and maturity in terms of being ready for a university level program where you will be treated as an adult.

1. This is a student-driven application. Please answer all questions in as much detail as possible. Be honest and include explanations and details where appropriate. The entire application process should take you upwards of 4 hours minimum. Take your time and be thorough. Have someone you trust review your application before you submit.
2. **Meet and check** with your school-based counsellor to ensure that you meet all the requirements of the program you are selecting (ex: You are registered to complete English 12 in an advanced manner).
3. Check the University website for the **MINIMUM** requirements and pre-requisites, then go above and beyond. (Ex. The course requires Physics 11: you should consider taking Physics 11 and Physics 12. The higher the course, the higher your letter grade, the better your application reads).
4. Your **PEN** number is **NOT** the same as your school student number. Your **PEN** number can be found on the top of your report card and is 9 digits long.
5. Please provide **YOUR** cell phone number and a current **personal EMAIL**. (Ex: first name last name@gmail.com). Please **DO NOT** use your school district email address. We will not accept Parent or Guardian emails.
6. **Resume:** Be sure to include, certificates, awards, volunteer experiences/work experiences and course work that are **targeted to your area of study**. (Ex: if you are applying to be in the Professional Cook program, be sure to include that you have taken culinary courses or have your Food safe level 1. **Or** if you are applying to the Early childhood Education program, you should note that you have worked with children and young people).
7. **Cover Letter:** Your cover letter should be addressed to:
Selection Committee – Dual Credit Programs
(Name your specific program ex: RCP or ECE)
8430 Cessna Drive
Chilliwack, B.C.
V2P 7K4
8. When asking for a teacher/school-based reference, it is recommended that you provide your reference a copy of your resume and cover letter so that they can speak to your skills and experience directly. Additionally, when selecting who should be a reference for you, consider asking someone who can speak positively and confidently about you, your skills, your attendance and attitude. The references need to be completed on the application-based form **NOT** as separate letters. It is important to provide your reference with enough time to complete the form accurately – this means **NO** last-minute asks.
